

## Nick Bork Risk Manager

Fostered by his involvement and experiences in his own production operation, risk manager Nick Bork helps clients define their financial goals to better establish hedging opportunities, helping them avoid downside risk and achieve maximum profits.

*“Today, producers are searching for marketing partners that work with diligence and integrity. We are committed to innovation and client-focused, and bring years of education, experience and valuable information to our clients’ operations.”*

### Professional Summary

**Expertise:** I have over 9 years experience in the ag industry. My primary focus on managing risk is fostered by my involvement with our own production systems.

### Experience:

- 1 year Professional Ag Marketing
- 8 years Standard Dairy Consultants as a Dairy Nutritionist

**Education:** M.S. in Animal Science, North Dakota State University

### A Little About Me

**Hometown:** Luverne, Minnesota

**Family:** Wife Annie and children Payton, Hallie, Hank, Brynlie and Cambrie

**Civic Involvement:** Luverne Christian School Society, past president

**Hobbies:** The Borks are a sports family ... and a force to be reckoned with. In our free time, we enjoy volleyball and basketball, and when the weather's good, we pack up and go camping.

### Our Brand

Professional Ag Marketing honors the rich agricultural heritage of our country. A creative, dynamic partnership with Professional Ag Marketing helps producers make informed and deliberative decisions.

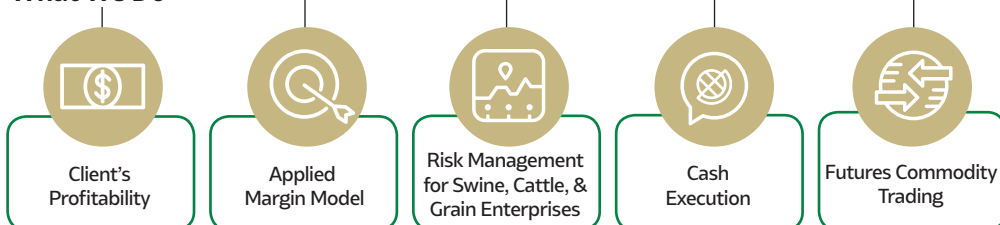

With market insight, experience, education and access to the most current information and models, Professional Ag Marketing will develop a marketing strategy to manage and minimize risk, designed specifically for your unique operation.

Our team of accomplished specialists, with expertise of agricultural production and the supply chain, put their knowledge to work developing adaptive and innovative strategies for our clients.

### How We Help

We are your partner for good marketing decisions. We walk with you. We are your trusted advisor. Find out how we can help your business!

### What We Do

Trading commodity futures and options involves substantial risk of loss and may not be suitable for everyone.
