

Holmes Agro is a progressive Ag-retailer serving Southern and Central Ontario. Our mission is to supply quality products and services in the areas of seed, fertilizer, crop protection and agronomic advice, while being recognized as leaders in the agricultural industry.

In order for us to accomplish our goals, we rely on a dedicated team of individuals specializing in customer service, sales and agronomy, operations management, and professional application. The members of our team are passionate about agriculture and form the backbone of our business and the support network for our customers.

Holmes Agro is seeking motivated and dynamic individuals to join our team for the 2022 spring season (with the potential for a full-time position):

Experienced Sales-Agronomist

The successful candidate will have the following qualifications:

- A positive attitude and a dedication to personal improvement and skill development
- Strong time management and organizational skills
- Good communication and interpersonal skills to allow you to provide a positive experience and work well with customers, suppliers and co-workers
- Positive team first attitude to allow you to excel in a fast-paced team environment
- Willing to work seasonably long hours in spring and fall
- Strong agronomic knowledge, with the ability to apply technology to help customers succeed.
- Passion for Agriculture
- 3-5 Years experience in a professional sales and agronomy role
- CCA preferred

The position will have the following responsibilities:

- Working with customers to help position agronomic tools such as, fertilizer, seed, crop protection products and services to maximize customers crop performance
- Routinely work with customers to develop crop plans and agronomic actions to improve crop production
- In season evaluation and recommendations based on routine crop scouting, soil and tissue sampling
- Support operational activities as required in season
- Promote Holmes Agro and the products, service & programs we deliver to our customers
- Support customers stewardship efforts such as 4Rs, Precision Agriculture, Pest Assessments, & Record Keeping

We offer a unique culture & team atmosphere, competitive wages, pension & benefits plan.
