

# Seasonal Warehouse Manager

Summer Position  
Stayner Location 2019

*Holmes Agro is a progressive ag-retailer with 4 locations servicing southern and central Ontario. Our mission is to provide quality service, products and agronomic information in the area of crop inputs in order to help our customers be efficient and profitable, while being recognized as leaders in the agricultural industry. Holmes Agro strives to be a service-oriented company, which sells commodities through value added techniques, thus differentiating ourselves from others to enhance the profitability of our growers. In order for us to accomplish our goals we rely on a dedicated team of individuals specializing in customer service, sales and agronomy, operations management, and professional application. The members of our team are passionate about agriculture and form the backbone of our business and the support network for our customers. As our business continues to grow we are seeking motivated, and dynamic individuals who can help us achieve new objectives for our company and our customers.*

Holmes Agro is seeking individuals for summer opportunities to fill the following position at our Stayner locations:

## **Seasonal Warehouse Manager**

This position involves managing inventory of seed, fertilizer, and crop protection products on a daily basis. Forklift experience is an asset but will train the proper candidate. Position involves regular customer contact and the candidate must demonstrate a positive and helpful attitude when dealing with customers and fellow employees. This position requires the applicant to work seasonably long hours.

Please direct resumes, cover letter and further inquiries to:

**Archie Wilson**
