

*Holmes Agro is a progressive Agricultural Retailer in Central Ontario . Our mission is to provide quality service, products and agronomic information in the area of crop inputs in order to help our customers be efficient and profitable, while being recognized as leaders in the agricultural industry. Holmes Agro strives to be a service-oriented company, which sells commodities through value added techniques, thus differentiating ourselves from others to enhance the profitability of our growers. For us to accomplish our goals we rely on a dedicated team of individuals specializing in customer service, sales and agronomy, operations management, and professional application. The members of our team are passionate about agriculture and form the backbone of our business and the support network for our customers. As our business continues to grow we are seeking motivated, and dynamic individuals who can help us achieve new objectives for our company and our customers*

Holmes Agro requires an individual for a full-time position at our Orangeville location:

### **Warehouse and Yard Operator/Technician**
