

Holmes Agro is a progressive Ag-retailer serving Southern and Central Ontario. Our mission is to supply quality products and services in the areas of seed, fertilizer, crop protection and agronomic advice, while being recognized as leaders in the agricultural industry.

In order for us to accomplish our goals, we rely on a dedicated team of individuals specializing in customer service, sales and agronomy, operations management, and professional application. The members of our team are passionate about agriculture and form the backbone of our business and the support network for our customers.

Holmes Agro is seeking motivated and dynamic individuals to join our team for the 2022 spring season:

Seed Warehouse Associate and Crop Scout – Orangeville Location

The successful candidates will have the following qualifications:

- A positive attitude and a dedication to personal improvement and skill development
- Good oral and written communication skills and a strong attention to detail
- Ability to self-manage time and priorities
- Willing to work seasonably long hours as required
- Customer service oriented and willing to work in a fast-paced environment both as an individual and part of a team
- Capability of obtaining forklift license (on-site training)
- Capable of lifting 25kg

The position will have the following responsibilities:

- Shipping and receiving of seed products and knowledge of product lineup (brands, packaging, sizes, treatments, etc.)
- Daily inspection and use of forklift
- Provide a high level of customer service
- Maintaining the appearance and professional environment of the seed warehouse and surrounding areas
- Perform regular inventory checks and reconcile physical counts to computer inventory
- Being diligent with paperwork (customer, receiving, and transfers between locations)
- In-season crop scouting field walks and reporting on weed, insect, and disease pressure
- May work in other areas of the facility throughout the season
