

Stewart Grain Co. Inc.
2023 CROP DP, STORAGE AND DRYING
(Effective 9/15/2023)

DELAYED PRICE/PRICE LATER: (These rates are market-driven and subject to change without notice. Watch for posted sheet or call us.)

Grain that goes into delayed price/price later will be allowed a 10 day grace period if you change your mind and want to sell. After the 10 days DP/PL grain will automatically be at the full rate.

Corn: 21 cents till Jan. 1, 2024, then 4 cents per month,(pro-rated).
Beans: 21 cents till Jan 1, 2024, then 4 cents per month,(pro-rated).

OPEN STORAGE (Open Storage can be converted to a warehouse receipt):

Corn: 21 cents till Jan 1, 2024, then 4 cents per month ,(pro-rated).
Beans: 25 cents till Jan 1, 2024, then 4 cents per month,(pro-rated).

(To facilitate emptying the elevator before the next harvest, Open Storage grain may be converted to DP as of May 31, 2024 at the same rate.)

CORN DRYING will be 2 ½ cents per half point to 15.0 for sale or DP, and 14.0 for storage. Shrink is 1.4% per point.
