

2022 CROP INPUT FINANCE PROGRAM

PROGRAM BENEFITS

- Improves security of product supply
- Locks in input costs to maximize income potential and reduce risk
- Secures a confidential source of payment for input products and services
- Offers early payment without penalty
- Presents a comprehensive agronomic relationship to complement your operation
- Saves time with a convenient one-stop source for all your input needs

Prairie Ag Partners and The Cooperative Finance Association are making special financing programs available to you for the 2022 crop year. These special rates are only available for products and services provided by your member-owned cooperative.
