2025 Fall Harvest Policy

September 17th, 2025

(Subject to change without notice)

Soybeans

Contracted Grain

- Grain will be applied to contracts before selling, unless cleared by management.
- Once contracts are filled, grain will be enrolled in Delayed Price, unless otherwise noted by the customer.
- If grain is delivered to a location other than the location specified on the contract there may be a price adjustment made to loads.

Cash Settle Grain

 All grain sold across the scale will be priced at that day's closing bid, established at the closing of that day's CME trading session. If there is no market trade that day, the session close prior to that day will be used.

Delayed Price

- No drop charge, \$0.12/bushel/month, prorated (\$0.00395/bushel/day)
- Refunded if priced within 7 calendar days

Open Storage

 \$0.20 drop charge, \$0.15/bushel/month prorated (\$0.00493/bushel/day)

Grain Settlement

- Grain will be settled out by request only
- Once grain is on January Pay it can not be taken off and settled out.
