Important Notes:

-Schedule is subject to change without notice

-Buyer Reserves right of rejection

-Spot price for harvest bushels on hold will be calculated using the basis from the date of delivery and the current futures price.

-Grain delivered at harvest must be sold or put into storage within 7 days of delivery. After 7 days, bushels will automatically be put into storage where fall storage rates will apply. Customer is responsible for keeping track of deliveries.

-Pricing of held bushels must be done during trading hours: 8:30 am – 1:15 pm CST.

****NEW: Grain from 2023 and prior years remaining in elevator storage or DP will be charged a new minimum on 8/31/24.**
