Good Morning,

Corn down a penny and beans down 2 at the morning break. Another pretty quiet overnight trade. Trump and Xi are scheduled to have a phone call tomorrow will be focused on TikTok would not expect any earth shattering news. The Trump administration announced it is planning to use tariff revenues to fund a new aid program for U.S. farmers. 7 day weather models have gone wetter. Locally across our territory could get an inch to an inch and a half. Rain chances primarily Sunday and Tuesday right now. We will see what the day brings!
