Wheat at 15.0% moisture and under will be averaged by farm.

Billing

Grain will be considered stored one week after delivery on a load by load basis.

All wheat will be put on Priced Later and charged a daily rate of 0.002 or roughly .06 a month along with a .20 minimum.

Additional notes

All wheat samples will be sent off to be tested by a Licensed Grain Inspector.

All outstanding balances will be due, if any, when you sell the remainder of your grain.

****All discounts listed above subject to change without notice****
