## 2025 Harvest Policies

It will be the driver's responsibility to give the scale operator the grain owner's name or names, the proper split between owners, and whether the load is for CONTRACT, STORAGE, DELAYED PRICE, or CASH SALE. A West-Con load receipt must be filled out on each load that is hauled by a West-Con semi. It is the owner's responsibility to make sure these are correct. Please notify us when you have delivered your "last load" so that final processing can be completed in a timely manner. See our website for further details [www.west-con.com](http://www.west-con.com). Thank you for your cooperation.
