

CORN DISCOUNT SCHEDULE 2025

Discounts

- A. Moisture, test weight, musty, weevils and other off grade factors are to be determined by management based on established industry standards.
- B. All grain will be discounted on a load-by-load basis, and all discounts will be on the basis of our sample and tests on delivery.
- C. In disagreement of grade the grain shall be sent for an official state grade at customer expense. The grain shall then be discounted by the official state grade.
