

SOYBEAN DISCOUNT SCHEDULE 2025

Discounts

- Moisture, test weight, musty, weevils and other off grade factors are to be determined by management based on established industry standards.
- All grain will be discounted on a load-by-load basis, and all discounts will be on the basis of our sample and tests on delivery.
- In disagreement of grade the grain shall be sent for an official state grade at customer expense. The grain shall then be discounted by the official state grade.

Foreign Material

All foreign material over 1% expressed to the nearest tenth of a percent will be deducted from the gross weight. In addition to the normal foreign material deduction, corn and other grains in excess of 5% will be discounted 1% or fraction thereof. See above chart, (FM over 5%).

Grade factors over and above those listed, are subject to discounts set by the merchandiser at time of delivery.
All discounts are subject to change without notice.
Management reserves the right of refusal of any grain.
