Sale Terms & Conditions

TERMS: Terms of the sale are cash unless other arrangements are made with the individual before the sale. The auctioneer will settle any disputes as to bids. Each animal will be sold to the highest bidder without reservations, will be the property of the purchaser and at the purchaser's risk as soon as sold, and can be moved after settlement is made.

REGISTRATION CERTIFICATES: All consignments are registered in the Herd Book of the American Red Poll Association. Certificates of registration will be furnished with transfers recorded, free of extra costs to the buyers upon sufficient payment of the lot.

HEALTH PAPERS: All cattle will have health papers required by the State of **Tennessee**. Some states require permits and some Trichinosis tests. The American Red Poll Association encourages consignors to have fertility tests and Trichinosis tests performed on all bulls over 1 year of age. A Veterinarian will be on hand to re-issue health papers. It is advisable to know your own state's health requirements on bringing cattle in from out of state.

CONSIGNOR'S RESPONSIBILITY: The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and seller. **Please note that there will not be any "no-sale" statements allowed while the animal is being bid on or afterwards. It is the consignor's responsibility to make arrangements to ensure that any minimum amount desired is obtained through the bidding process.**

GUARANTEE: This sale will be conducted under the Red Poll Breeding Guarantee as noted at end of catalog.

LIABILITY: The Sale Facility and the American Red Poll Association act as sale agents only for the consignors of this sale and assume no liability as to accidents to or by any animal. The guarantees given above are made by each consignor for his own animals which are selling.

INSURANCE: Insurance is highly recommended to cover from the time of purchase until the time of delivery. Insurance will be available thru American Livestock, Inc. Please see clerk for your insurance needs.

TRANSPORTATION: The owners and Sale Management will attempt to assist the buyers in hauling their purchases, but the ultimate responsibility is the buyer's.

ANNOUNCEMENTS: Announcements made from the auction block take precedence over printed information. Any known breeding dates not listed in the catalog will be given on sale day. Unless otherwise noted in the sale catalog or announced from the auction block, each animal is sold as sound.

MAIL OR PHONE BIDS: Mail or phone bids will be handled in a most confidential manner. If you are unable to attend the sale personally, please contact the American Red Poll Association representative, auctioneer or breeder of your choice.

This bull is sired by JF Big Shot 216885, the 2019 National Reserve Grand Champion Bull. Big Deal's dam is our most consistent quality bull provider. A past bull topped the National sale held in IN. We would have put another of her bulls in last year's sale but sold him just before. Here is the latest promising herd sire she has produced. Vaccinated with Vision 7, Bovi-Shield Gold, Inforce 3.

This coming two year old heifer is by PBF Big Buck's Ferdinand (2018 Jr. Champion Bull at NAILE) and out of JB's Cherokee Jack Abby. Her dam, Abby, has produced four calves for us at 11 month intervals. She is a nice all around heifer with the bone structure and genetics to produce nice calves for years to come. Vaccinated with Virashield 6+ VL5 HB Somnus, Alpha 7.

Annie had a bit of a rough start, born a twin and momma didn't take her and then raised on my wife's nurse cow after she raised her own calf. But that didn't slow down Annie. She's right there with the rest of the fall heifer group now. Make sure to check out this Red Oak Chief sired heifer. Really attractive made, one that should make a nice replacement female. This cow family has some members with some age on them, they are good producing, low hassle females.

Check out this fancy heifer sired by Red Oak Chief, a son of Shuter's Kalijah. This heifer stems from our oldest cow family, tracing back to our first Red Poll female, Young's King CA or as we called her, Candy. This cow family has done so much for our program whether it be females retained in the herd or the class and division winners at shows and even a National Champion Female at the 2017 NAILE. Be sure to check Candy out in Tennessee. Vaccinated for Triangle 10 HB, 2020 Vision 7 with Spur.
