Ruby is the top cow in my herd. She has an excellent production record. Will have calf by sale date sired by DFM Primetime. We have retained 5 heifers out of her. One of the prettiest cows I have ever owned. Excellent udder. She is sired by Esq. Navigator, National Champ. On dam's side has national champs: Rolex, Pamden's Rico Buff. Some of the last MFF Sheldon calves to sell at public auction. Starstruck's mother was the oldest cow on the farm, she stepped onto the truck at 15 years old this summer when we decided to ship her. I always liked the King Richard daughters we had from Kyle and Leo and Starstruck's mother was a great example why. Starstruck's maternal sister is working hard for Jackson Farms where she has produced some nice steers and several bulls, one even being JF Big Shot, one of Jackson Farms herdsires.

Scarlette comes from one of my first cow families we ever produced. Her grandmother was our first registered female born at our place. This is a cow family that we don't let many go from.
