Sale Terms & Conditions

TERMS: Terms of the sale are cash unless other arrangements are made with the individual before the sale. The auctioneer will settle any disputes as to bids. Each animal will be sold to the highest bidder without reservations, will be the property of the purchaser and at the purchaser's risk as soon as sold, and can be moved after settlement is made.

REGISTRATION CERTIFICATES: All consignments are registered in the Herd Book of the American Red Poll Association. Certificates of registration will be furnished with transfers recorded, free of extra costs to the buyers upon sufficient payment of the lot.

HEALTH PAPERS: All cattle will have health papers required by the State of **Tennessee**. Some states require permits and some Trichinosis tests. The American Red Poll Association encourages consignors to have fertility tests and Trichinosis tests performed on all bulls over 1 year of age. A Veterinarian will be on hand to re-issue health papers. It is advisable to know your own state's health requirements on bringing cattle in from out of state.

CONSIGNOR'S RESPONSIBILITY: The seller is the responsible party for all representations made about his cattle. The management of the sale assumes no liability, legal or otherwise, but will endeavor to protect the interest of both the buyer and seller. **Please note that there will not be any "no-sale" statements allowed while the animal is being bid on or afterwards. It is the consignor's responsibility to make arrangements to ensure that any minimum amount desired is obtained through the bidding process.**

GUARANTEE: This sale will be conducted under the Red Poll Breeding Guarantee as noted at end of catalog.

LIABILITY: The Sale Facility and the American Red Poll Association act as sale agents only for the consignors of this sale and assume no liability as to accidents to or by any animal. The guarantees given above are made by each consignor for his own animals which are selling.

INSURANCE: Insurance is highly recommended to cover from the time of purchase until the time of delivery. Insurance will be available thru American Livestock, Inc. Please see clerk for your insurance needs.

TRANSPORTATION: The owners and Sale Management will attempt to assist the buyers in hauling their purchases, but the ultimate responsibility is the buyer's.

ANNOUNCEMENTS: Announcements made from the auction block take precedence over printed information. Any known breeding dates not listed in the catalog will be given on sale day. Unless otherwise noted in the sale catalog or announced from the auction block, each animal is sold as sound.

MAIL OR PHONE BIDS: Mail or phone bids will be handled in a most confidential manner. If you are unable to attend the sale personally, please contact the American Red Poll Association representative, auctioneer or breeder of your choice.

In our program, it takes a lot to earn the right to remain a bull. Only bulls capable of improving the breed, or ones we would use on our own herd miss the cut. On top of that, with the yard prices, it is an even tougher career decision. Look back thru this bull's lineage and you will find plenty to like – Esquire, Wiese, Young, Mattingly and our breeding packed into a neat package. This bull comes from the top of our herd and will be ready to serve your Spring breeding program. Look for pictures on FB as the sale date gets closer.
