

April 8-12 is National Work Zone Awareness Week and Wisconsin will be carrying on its tradition to encourage safe driving throughout the upcoming construction season. The Dane County Highway Department and the Wisconsin Department of Transportation cordially invite you to attend a brief public awareness event. Media are invited – and our hope is that having a large group of workers and emergency responders displayed on the nightly news will help remind everyone to watch out for us and be safe on the roads this year! Please join us!

MONDAY, APRIL 8

10 a.m.

Dane County Highway

3103 Luds Lane, McFarland, WI

HELP CREATE SAFE WORK ZONES

**Drive like you
work here**

SLOW DOWN—STAY ALERT—NO DISTRACTIONS
