50% off service plans for the month of November!

November is a month for gratitude and for celebrating the people who care for us most. In honor of National Family Caregivers Month, we're taking a moment to recognize the friends and family members who help their loved ones stay connected through better hearing. Your support makes every conversation, laugh, and memory that much richer.

“A Recipe for Connection”

Maple Pecan Harvest Bread

Hearing Health Note:

- Pecans are rich in omega-3 fatty acids, magnesium, and zinc, which help protect the delicate hair cells inside your inner ear and support nerve function linked to hearing.
- Bananas provide potassium, which supports the tiny fluid balance in your inner ear, essential for both hearing and balance.
- Cinnamon contains natural antioxidants and anti-inflammatory compounds that can help reduce oxidative stress, a factor associated with age-related hearing loss.
- Maple syrup, when used in moderation, offers trace minerals like manganese and zinc that support circulation, helping to keep blood flow strong to the auditory system.

Ingredients

- $1 \frac{3}{4}$ cups flour
- 1 tsp baking soda
- $\frac{1}{2}$ tsp salt
- $\frac{1}{2}$ tsp cinnamon
- $\frac{1}{2}$ cup butter, softened
- 1 cup brown sugar
- 2 eggs
- 1 cup mashed ripe banana (about 2 bananas)
- $\frac{1}{4}$ cup pure maple syrup
- $\frac{1}{2}$ cup chopped pecans (plus a few for topping)

Instructions

1. *Preheat oven to 350°F and grease a loaf pan.*
2. *In a bowl, whisk flour, baking soda, salt, and cinnamon.*
3. *In a separate bowl, cream butter and brown sugar. Beat in eggs, banana, and maple syrup until smooth.*
4. *Stir in dry ingredients and fold in pecans.*
5. *Pour into pan, top with pecans, and bake 50–55 minutes until golden and fragrant.*
