*Master's in Audiology

*Certified with American Speech & Hearing Assn.

"I had hearing aids before, but I couldn't wear them. These hearing aids are so comfortable I don't even feel them in my ears. I can even understand in crowds now. DeAnne has provided the best hearing aids and service I've ever had"

Mrs. Sammie Blundell, Enterprise

"I can 'understand' what I hear and don't have to guess what's been said anymore. I can't imagine going without hearing aids now. The personal care and service DeAnne has provided has been excellent."

Mrs. Johnnie Keith, Decatur

"I didn't know how bad my hearing was until I got hearing aids. I understand conversations so much better now. I'm very pleased with my hearing aids and the service and care DeAnne has given me"

Mrs. Helen Edwards, Union

"I've worn hearing aids for years. My hearing has gotten worse but I am hearing better because of the improved technology. DeAnne has provided excellent hearing aids and service for my wife and me."

Mr. Bill Edwards, Union

"I have had three sets of hearing aids. DeAnne has provided the best service and hearing aids I've ever had."

Mr. R.D. Stephens, Collinsville

"I've worn hearing aids for years. DeAnne has provided the best hearing aids and personal care and service I've ever had. I wouldn't consider going anywhere else."

Mr. Herbert Johnson, Hickory

"I can hear my wife now, and conversations on the phone are much clearer. I am very happy with the improvement in my hearing and the service after the sale."

Mr. Muriel Collins, Union

"DeAnne has made it possible to hear speech in a crowd and birds which I couldn't hear with my old hearing aids. The service I have received from DeAnne has been superb."
