Mission:

To provide personalized, comprehensive hearing healthcare services to all ages, with the highest level of professionalism, integrity and education, utilizing state of the art technology.

Professional Services:

Our clinic specializes in diagnostic testing, hearing aids, hearing in noise evaluations, custom ear molds and hearing protection, assistive listening devices/FM systems, and personal aural rehabilitation/counseling. We provide services to infants, children, adults and seniors.

Technology:

Hearing aids are not a “one size fits” all technology. At AHS, we work with all major hearing aid manufacturers and fit to individual needs and specifications using advanced computer measurements called Real Ear Measures.

“Audiology and Hearing Solutions combines a warm, sympathetic approach with high tech hearing checks and excellent hearing aids” - patient testimonial

AHS—A Step Ahead of the Competition:

Your hearing is one of your most important senses. Don't trust it to just anyone. Misdiagnosing hearing loss and improperly fit hearing aids can result in frustration, dissatisfaction, and lead to further problems. At AHS, we don't just sell hearing aids, we provide personalized, total hearing healthcare services. We know you have a choice for hearing healthcare, so save yourself time and money by visiting us at AHS. Our unparalleled knowledge, experience, technology, personal care, and attention to detail is what sets us apart from the competition.

Melonie Marple, Au.D., CCC-A, is the owner and director of Audiology and Hearing Solutions, Inc. She has been practicing audiology for over 14 years, providing patients with a personalized and professional care that goes above and

beyond. She focuses on the patient and their unique needs to provide the most comprehensive level of hearing healthcare.

Dr. Marple obtained her clinical doctorate degree in audiology from the University of Florida and received her bachelor and master's degrees from West Virginia University, graduating magna cum laude.

Prior to opening her own practice, Dr. Marple worked in a private practice in the greater Boston area for over 6 years specializing in adult and pediatric hearing aid fitting. She has also worked in a hospital setting providing diagnostic hearing and balance testing.

Dr. Marple actively participates in continuing education opportunities to keep up-to-date with constantly changing technologies. This allows her to provide all patients with the best and latest advancements in hearing care available today.

She is licensed in the state of Massachusetts in Audiology and has a Certificate of Clinical Competence from the American Speech Language and Hearing Association and is a fellow of the American Academy of Audiology. Dr. Marple is also Board Certified by the American Academy of Audiology.

Hearing is a complex sense that includes cognitive, emotional and physical issues which only audiologists are properly trained in treating. Our unique education and background as well as our passionate need to help people and forge relationships, makes AHS your trusted choice for comprehensive hearing healthcare in the Greater Boston area.

“The number one priority of our practice is to provide the best possible patient experience, personalizing your journey to better hearing.”—Dr. Melonie Marple, Owner, Audiologist
