

ENJOY THE SOUNDS OF SPRING

Dear Neighbor,

Spring is just around the corner, and it's time for a fresh start and that includes your hearing. While you are focusing on cleaning your home and preparing your garden, you should also consider scheduling your annual hearing evaluation.

That's why we'd like to invite you to join us for a special, limited time **Spring Hearing Health Event, Day, Month XXth - Day, Month XXth!** During this event, we will be offering a **free hearing evaluation** to determine if you're experiencing hearing loss, and if so, show you the latest in affordable hearing technology—with no obligation. Also, enjoy peace of mind with our 4-year warranty.

Already wear hearing aids? Our Spring Hearing Health Event is for you too, as we'll clean and check your hearing instruments free of charge.

Now is a great time to make sure your hearing is at its best. Appointments are limited, so call **123-456-7890** to reserve your space today! We look forward to seeing you and helping you hear the refreshing sounds of spring.

Sincerely,

3 Reasons Your Ears Love Spring

1. Spring vegetables like asparagus, kale and peas contain vitamins and minerals that can reduce your risk of hearing loss.
2. Spring sounds like birds chirping and pattering rain exercise your ears and boost your mood.
3. Spring boasts more daylight hours, allowing you to sleep soundly after a day's work. Sleep allows your brain to recharge.
