We'd like to welcome you to our practice!

**Your appointment is scheduled with Dr. Jabbour on \_\_\_\_\_ at \_\_\_\_\_**

Thank you for entrusting us with your care. Your hearing is our main concern. To provide you with comprehensive, high-quality care, we take a personalized approach by sitting down with you and discussing your hearing, needs, goals and treatment options. During your initial visit we complete a comprehensive hearing evaluation which includes a medical and audiologic history review, along with other necessary audiologic evaluations. Your first visit with us usually takes between 60 and 90 minutes.

In order to expedite the new patient registration process, we ask that you read and/or complete the following forms:

- New Patient Registration Form
- Privacy Practices
- HIPAA

For your first appointment, please bring completed copies of the above forms, as well as:

- Insurance card(s)
- Photo ID
- A list of current medications and dosage
- Co-pay if required by your insurance. (If you have Medicare as your primary insurance and you do not have a written order signed by your physician, you will be responsible for payment at time of your visit.)

Thank you for choosing us. We look forward to helping you hear your best. Should you have questions prior to your visit, please do not hesitate to call us at (330)665-5200.

Sincerely,

*Daneen J. Jabbour*
