

Welcome to Premiere Speech & Hearing!

We're so glad you've chosen us for your care. At Premiere Speech & Hearing, our team is dedicated to providing you and your family with the highest level of personalized, compassionate service in both audiology and speech-language therapy.

To help us prepare for your first appointment and ensure we deliver the best care possible, we ask that you complete a few important steps in advance.

What to Bring to Your First Appointment

Please bring the following items with you on the day of your visit:

1. **Completed Patient Registration Form**
 2. **Signed Treatment, Consent, and Billing Agreement**
 3. **Completed Case History Form**
 4. **Your insurance card(s)**
 5. **Referral or prescription (script) from your physician**
 6. **Copies of any prior evaluations or treatment reports**
 7. **Hearing Aid Users: All hearing aids and earmolds, if applicable**
-

If You Have a Cochlear Implant

Please also bring the following:

- A report of your most recent programming session (your audiologist may email the **.cdx file** to: jwhittaker@PremiereSpeechHearing.com)
 - Your **primary and backup sound processors**
 - Any **remote controls or accessories** you use regularly
-

Important Note for Medicare Patients

If you are a Medicare beneficiary, you must bring a **written prescription** from your primary care provider for speech and/or audiology services. Without this script, you may be responsible for the full cost of your visit. If you need help obtaining this, please don't hesitate to contact us.

Have Questions? We're here to help! Please call our office manager, **Karen Caromano**, at **610-454-1177** with any questions prior to your appointment.

We're honored to support your communication and hearing needs and look forward to welcoming you in person!
