WindowGuard™

One-Way Vision Protection

*Brand Your Windows.
Improve School Safety!*

WindowGuard™ is a one-way vision window graphic that can be applied to any window surface to shield unwanted on-lookers and it still allows you to see out the window. It gives schools the upper hand to conceal their classrooms, offices, school wings, and lunchrooms while still allowing faculty and students to see who's approaching.

You Can See Out

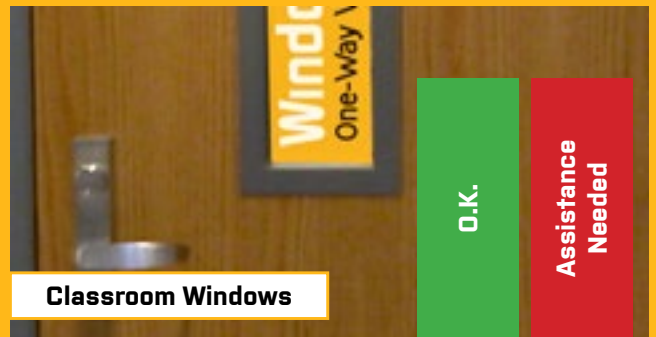

WindowGuard™

- Provides safety and school branding
- One-way vision shields vision in, but you can see out
- Federal or State funding available
- Customized to fit any window
- Outstanding creative team
- Make your school safer
