## LEGAL ASSISTANCE: FINDING RESOURCES AND SUPPORT

You may have a legal right to certain benefits. There are also many local and national support services available to assist you.

### KNOW YOUR RIGHTS

Under the Family and Medical Leave Act (a federal law), you may be entitled to unpaid leave from your job to care for a loved one with cancer. If you leave your job or are laid off, a federal law called Consolidated Omnibus Budget Reconciliation Act (COBRA) may allow you to keep your health insurance coverage for up to three years. Oncology social workers are licensed professionals that can help you understand and apply for benefits you may qualify for. A CancerCare oncology social worker can help you find resources that fit your needs. To learn more, visit [www.cancerCare.org](http://www.cancerCare.org) or read CancerCare's fact sheet titled, "Patients' Bill of Rights and HIPAA."
