Ice Breaker

This last weekend *At the Movies* we talked about the movie *42*, the story of Jackie Robinson. If you could go back in history and have lunch with any historical figure who would it be?

Discuss 1

- Jackie Robinson was a man of character that never backed down and kept a strong faith. How have you see your character and faith tested under pressure?
- What causes some and not others to compromise their character and values under pressure?
- What practices or habits might help you overcome the temptation to compromise your faith and character?

Discuss 2

- Read [Deuteronomy 31:6](#) & [1 Corinthians 16:13](#).
- How have you experienced God's courage and strength in your own life?
- Why is strength and courage so important as a Christian?
- Who is someone that you admire for their strength and courage?

Discuss 3

- Racism is still a problem in our culture today. The Apostle Peter struggled with prejudice towards the gentiles (non-Jews) but God called him to love them. Read his response in [Acts 10:34-35](#).
- What does this passage teach us about how God see's people?
- How can we begin to see people the way God sees them?
