Verse 1

From a crown of jagged thorns
With the blood that hit the earth
In the scars You wore
You showed me that Your love was always first

All the consequence of sin
On the cross You finished it
When they pierced Your skin
You showed me that Your love was always first

Pre Chorus

All before I ever found my faith

Chorus

Jesus, You were my strength
When I was falling away
Oh, Your love came to find me
Yeah, Your love was always first

Grace comes rushing into my soul
You're taking control
Oh, Your love came to find me
Yeah, Your love was always first

Verse 2

When You laid behind the stone
When You walked from where You rose
And You led the way
You showed me that Your love was always first

Bridge

No, not that I loved You
But that You loved me first
No, not what I earned
But what You freely gave away

While I was a sinner
You showed me what I'm worth
Jesus, when You bled
You died so I could live again
