## Verse 1

I struggled through the garden  
Following a serpent  
Tempted but Your love ran after me  
You gave me what I needed  
Stole away my secrets  
How could I deserve Your love for me

## Pre Chorus 1

Even in my weakness  
You are always there

## Chorus

I can see Your light chasing after me  
You are good to me  
I can hear Your voice calling out for me  
You are good to me

## Verse 2

I stumbled through the desert  
Stranded by my failure  
Empty but Your love ran after me  
You gave me what I needed  
Broken now completed  
I do not deserve Your love for me

## Pre Chorus 2

Even in my failure  
You will never fail

## Bridge

More than all I want  
More than all I need  
More than anything  
You're so good
