Verse 1

It's a shame
Sometimes I lose my way
Sometimes I can't think straight
But I won't be afraid

'Cause You gave me grace
Through the fire, Through the rain
I will call upon Your name
Jesus, You have made a way

Chorus

Hidden in you I find
There my soul awakening
In the spirit alive
What once was dead regenerates

Deep calls out to new deep
In my heart it's echoing
In the spirit alive
What once was dead regenerates

Verse 2

When I wake
My eyes will see Your face
I will rise and walk in faith
And I won't be afraid

'Cause I've found my place
You're my refuge and my strength
Oh, for now and all my days
Jesus, You have made a way

Bridge

You awaken me
Bringing death back to life
