Verse 1

Here I am send me
I'm ready now to follow where You lead
Take my hands and feet
Send me out to sing Your victory

Pre Chorus

You take me higher and higher
Than I've ever been before
You take me deeper and deeper
'Till there's nothing I want more

Chorus

Set me on fire
And I will burn for you my Lord
Set me on fire
I'll shine your light forevermore
Set me on fire

Verse 2

Here I am send me
I'm ready now to follow where You lead
Take my heart, Shape me
To trust You in the things I cannot see

Bridge

You take me higher and higher
Than I've ever been before
You take me deeper and deeper
'Till there's nothing I want more

Pre Chorus 2

You take me higher and deeper
