Verse 1

After all the things that I've kept secret
After all the times I've run
After all the nights I've tried to give up
After everything I've done

Pre Chorus

You shine a light in the darkest places
You tell me I am good enough
Though (Oh) I tried it on my own, I couldn't make it
After everything I've done

Chorus

Still You love me, You love me
Still You love me, Jesus You love me

Verse 2

After thinking I was fine without you
I don't know who I've become
After all the times I swore I'd start new
After everything I've done

Bridge

You wreck me like a tidal wave
You pulled me from the depths of all of my mistakes
My life in you forever changed
Because You love me

You wreck me like a tidal wave
You and I collide in Your amazing grace
My life in You forever changed
Because You love me, You love me
