## Verse 1

Greater  
Than the shadows of the mind  
Oh the darkness cannot hide  
You are greater

Stronger  
Than the anxiousness inside  
No You won't give up the fight  
You are stronger

## Chorus

There's no mountain You cannot move  
There's no chaos You can't see through  
'Cause Nothing's broken You can't make new  
You are greater, You are greater  
So come and break through

## Verse 2

Higher  
Than our minds can comprehend  
Oh Your power has no end  
You are higher

Louder  
Than the echoes of our past  
Oh You silence what we can't  
You are louder
