## Verse 1

I've been sinking in shame  
Shadows surrounding me  
Running was all I knew  
But mercy led me to You

## Chorus

Jesus, You make darkness hide  
There's freedom in Your light  
Even when I wander, You bring me back  
Savior, You laid down Your life  
Just to bring me mine  
When my hope is broken, You bring me back life

## Verse 2

Your love is changing me  
Now I'm breathing deep  
I'm running hard after You  
Because Your mercy has made me new

## Bridge

You are bringing me back, Bringing me back  
You are bringing me back, Bringing me back to life

## Tag

You are bringing me back, Bringing me back to life
