

# FEARLESS

Written by Danny Larsh © 2019 Martian Mission Music (ASCAP) © CCV Music

## Verse 1

Love, it casts away hesitation  
It moves every mountain  
Erases the doubt

Love, illuminates every shadow  
My strength for tomorrow  
The hope in my heart

## Pre 1

And when I am weak, I know You're beside me  
And You'll never leave  
When I am weak, I know You're beside me  
And You'll never leave

## Chorus

I am fearless  
I don't walk through the valley alone  
I am fearless  
Down the darkest of roads  
Your love will carry me on

## Verse 2

Love, the proof of Your goodness  
Whenever I'm falling  
You shield me from harm

## Pre 2

And when I am lost, I know You will find me  
And You'll never leave  
When I am lost, I know You will find me  
And You'll never leave

## Bridge

Jesus, Your love will break down the walls  
And light up the way, Light up the way  
Jesus, Your love will tear through the dark  
And light up the way, Light up the way
