Verse 1

Beyond the depths of the horizon
Beyond the shores of foreign seas
Beyond the stars we haven't found yet
Beyond the secrets of the deep

There is more than what I see here
There is more than earthly dreams
There is Heaven to be found here
If I am still enough to see

Chorus

How beautiful this life can be
When there's more of You
And less of me

Oh, Jesus, You are all I need
So give me more of You
And less of me

Verse 2

Within the heart of Your creation
Within the depths of every soul
Within the beauty of the mystery
Oh, the wonder to behold

Bridge

There is more
Where You are more
There is more
Where You are more
