## Verse 1

When You speak  
You split my heart wide open  
When You breathe  
You put my life in motion

## Pre Chorus

So now I'm dancing  
To Your heartbeat, Your heartbeat  
You got me dancing (moving)  
To Your heartbeat, Your heartbeat (oh)

## Chorus

Because of Your love there's air in my lungs  
There's hope on my tongue, I can't get enough  
Because of Your love I feel it inside  
You opened my eyes, I'm coming alive  
Because of Your love

## Verse 2

When You move  
I feel a roaring thunder  
For Your name  
I give my life forever
