Verse 1

We found a new way of living
To set our hearts on the things above
We trade the way we were thinking
To put our hope in the risen One

Pre Chorus

Turning away from all of the world
And its promises
We're running to You

Chorus

Living for the hope of heaven
We won't settle for where we've been before
We're living for the hope of heaven
Following the truth, Running after You

We're living for the hope of heaven

Verse 2

We throw away every burden
We come alive in Your mighty love
All for Your plan, For Your purpose
God, we will trust in Your kingdom come
