## Verse 1

We're not children of slavery  
But of the One Who set us free  
We're not defined by the sin we've caused  
We are known by what He's done

## Chorus

Oh Father You have saved us  
Brought healing through Jesus  
Come lead us by Your Spirit  
To make You known

## Verse 2

So give us words to speak Your truth  
Give us eyes to see You move  
Hear Your sons and daughters sing Your song  
There is power through the risen One
