Verse 1

In the stillness, In the quiet
I will hear Your voice
In the coolness of the morning
I will hear Your voice

Pre Chorus

Out of the grip of shame
Into the arms of grace

Chorus

Father, lead me where Your mercy falls
And where Your light shines through
That I may walk with You

Where my shame is lifted, Love invades
And where my heart finds You
That I may walk with You

Verse 2

In my weakness, In my failure
Wrapped in guilt and pride
You have called me, For You know my name
I am worthy in Your eyes

Bridge

For all of my heart
Is searching to find you
And all of my soul
Is longing to know You

For all of my heart
Is searching to find you
And all of my soul
Is longing to know You, Lord
