Verse 1

All of the gravity of sin and tragedy
You took it up to the cross
The reason we know love

No separation now, Death is forsaken now
You've won the fight for the lost
For freedom in Your love

Pre Chorus

I hear the melody of saving grace
I feel the rhythm of Your faithful heart

Chorus

You are the reason we are living, breathing
You are the freedom in a desperate world
You are the reason we are dancing, singing

You're the reason for the hope found inside
You're the reason for the hope found inside
You are the reason we're alive

Verse 2

All of the gravity of sin and tragedy
You took it up to the cross
The reason we know love

All of our burdens gone, You've broken every bond
You've won the fight for the lost
For freedom in Your love
