

As One

words and music: Ben Gowell / Micah Bentley

We've come together as Your church
With one desire to put You first
Hearts united
Our voices raised
We give all honor to Your name

As one we come
Under Your freedom
Your will be done
Come now, Your Kingdom
All praises be to Christ our King

The rich and poor
The weak and strong
The broken righteous and the wrong
Are bound together in Christ alone
The Son of heaven has brought us home

As one we will proclaim Your glory
Your church will tell a different story
The one who rose from death that morning
To free us all
To free us all

As one we come
Under Your freedom
Your will be done
Come now, Your Kingdom
All praises be to Christ our King
All praises be to Christ our King
All praises be to Christ our King
