

Defender

words and music: Ben Kolarcik / Michael Olson

When hearts are gripped with fear
When troubles linger near
Our confidence remains
Your promise will not change
Our eyes will see
The goodness of the Lord

You fight the battles we can't see
Jesus, You intercede
You are our defender
You are everything we need
Strength when we are weak
You are our defender

We follow after You
Our hearts will seek the truth
Our hope will always stand
Our lives are in Your hands
Our eyes will see
The goodness of the Lord

No weapon formed against us shall stand
Our future is secure in the palm of Your hand
Your faithfulness endures to the end
Your steadfast love will shelter us
