

# I Stand in Awe (Savior's Song)

words and music: Ben Kolarcik

God of the sunrise  
God of the morning  
God over all my days  
I live to sing Your praise

I stand in awe of You  
Humbled by all You do  
Name above names  
You never change, Jesus

God of the sunset  
God of the evening  
God over star-filled skies  
You shine through the darkest night

And when the weight of the world is strong  
I rest upon my Savior's song  
And when the weight of the world is strong  
I rest upon my Savior's song  
You will never leave us  
You will always keep us  
You will never leave us  
You will always keep us
