

# I'm Alive

words and music: Ben Gowell / Danny Larsh / Michael Olson

I'm alive, I'm alive  
By Your power I have come alive  
What once was lost is redeemed  
I am free, I am free  
Through the cross  
You have saved me  
Your love has opened my eyes  
Now I'm alive

I once was lost  
I could not find my way  
I once was blind  
I could not see Your face

My soul was broken  
My heart was dead in sin  
Now You have given me life

The chains of death  
Could never hold You down  
You took my place  
In You my hope is found

No longer broken  
No longer dead in sin  
You have given me life

My sin, You carried the weight  
My shame, You washed it away  
Jesus, there's no other name

I'm alive, I'm alive  
By Your power I have come alive  
What once was lost is redeemed  
I am free, I am free  
Through the cross  
You have saved me  
Your love has opened my eyes  
Now I'm alive  
I'm alive, yeah  
Now I'm alive  
I'm alive
