

# We Will Stand

words and music: Michael Olson / Micah Bentley

Whoa, whoa  
Whoa, whoa, whoa

Almighty God, You are our rock  
A firm foundation  
A firm foundation  
Our feet are planted on Your truth  
Your steadfast love  
Is our salvation

Though the earth give way  
Unending joy will be our strength

We will stand  
We will stand  
On Your promises we'll stand  
Your faithfulness  
Will be the rock beneath our feet  
We're not ashamed  
We're not afraid  
For You have called us by Your name  
The one and only God has set us free

Through the ages you have shown  
You are our fortress  
You are our shelter  
Every generation's known  
That You are sovereign  
You never fail

Though the earth give way  
Unending joy will be our strength

We will stand  
We will stand  
On Your promises we'll stand  
Your faithfulness  
Will be the rock beneath our feet

We're not ashamed  
We're not afraid  
For You have called us by Your name  
The one and only God has set us free

Whoa, whoa  
Whoa, whoa, whoa

Though the earth give way  
We will never lose our faith  
Your unfailing love will be our strength

We will stand  
We will stand  
On Your promises we'll stand  
Your faithfulness  
Will be the rock beneath our feet  
We're not ashamed  
We're not afraid  
For You have called us by Your name  
The one and only God has set us free  
Oh, His mighty hand has won the victory

Whoa, whoa  
Whoa, whoa, whoa
