

# You're My Joy

words and music: Ben Gowell / Cody Carnes

You're the light to all in darkness  
Defender of the weak  
You sustain the humble-hearted  
You're my joy, You're my joy

A friend to the forgotten  
You heal the wounded soul  
You're the hope when hope is distant  
You're my joy, You're my joy

I'll rejoice in the Lord  
And my song will ever be  
To the God of salvation  
The risen, reigning King

Oh, Your Word is alive  
It's the strength that carries me  
You're my joy

You're salvation to every sinner  
Grace to restless hearts  
You're my refuge in the wreckage  
You're my joy, You're my joy

You're the God of endless mercy  
The answer for the world  
You're the treasure for the searching  
You're my joy, You're my joy

Joyful, joyful we adore You  
King of Glory, source of life  
Through the night we lift our voices  
Joy will come with morning light

I'll rejoice in the Lord

And my song will ever be  
To the God of salvation  
The risen, reigning King

I'll rejoice in the Lord  
And my song will ever be  
To the God of salvation  
The risen, reigning King

Oh, Your word is alive  
It's the strength that carries me  
You're my joy

You'll always be my joy  
You're my joy
