MESSAGE FROM THE SENIOR PASTOR

Thank you for your continued commitment to reach the valley for Christ. Last year I challenged you to take your faith to the next level through baptism, attending church regularly, serving, building community in a neighborhood group, honoring God with your finances, sharing your faith with others & discipleship coaching. We call these our “Next Steps”, and I am excited to report that 21,563 **Next Steps** were taken in 2016. That’s 21,563 steps toward a more connected life with Jesus and others. This was just the beginning, and remains our focus for 2017. What’s YOUR next step?
