

OLD FASHIONED PREACHING

Old School Series

Text: Proverbs 22:28, “ancient landmarks”
Jeremiah 6:16, “old paths”

Many like to talk about the “good ole days.” Many do not. Our society has come a long way in many areas, but it seems like we have outgrown the need for God! Therefore we need good, old-fashioned, Bible preaching in three areas:

I. Old Fashioned Preaching Against _____

II. Old Fashioned Preaching About _____

III. Old Fashioned Preaching on _____

In other words, while this message may start with me, we also need some old fashioned Christians who will get seriously sold out for God, and receive and live the kind of preaching that we need.

BUILDING PEOPLE 2018

*For we are his workmanship, created in Christ Jesus
unto good works, which God hath before ordained
that we should walk in them.*
