

Outdoor Worship - What to Expect

For everyone's safety, no handouts will be distributed and there will be no congregational singing. Here is what to expect:

1. Each household brings their own chairs or blanket to sit on.
2. Households will be seated 6 ft apart on the grassy area.
3. Children must remain within their family's seating area.
4. Bring your own communion supplies - wine and bread - if you would like your household to participate in communion.
5. Face masks recommended.
6. Please observe social distances of 6 ft when entering/exiting your vehicle in consideration of others parked near you.
7. Household groups will be dismissed gradually to allow social distance spacing.
